I've had this leash for a few weeks now and all I can say is WOW!!! It's gorgeous, versatile, and very strong. On top of that, I asked if the leash could be delivered within the next week and it was even early a few days!! Great work, wonderful customer service, thank you!!!

My boyfriend is a firefighter/EMT, so I wanted to personalize his stethoscope with a red and black paracord to match his uniforms. He is one happy man, and his coworkers even want to get theirs done like his! Fast shipping, quality work, and the seller was very responsive to my questions. I will be purchasing more in the future!
